SPRING BBQ FUNDRAISER AND AUCTION COMING SATURDAY, MAY 28th

Spring has sprung in Midcoast Maine and we're pleased to announce a new and fabulous fundraising event.

Mark your calendar for Saturday, May 28th, 4 pm for a fun BBQ and auction event for the whole family. Live music by the band "The Teachers," plus children's activities, great food, and more. At 6 pm we'll begin a live auction of twelve terrific playhouses, ready for your kids, grandkids, or even YOU! They'll be auctioned off by auctioneer extraordinaire Bruce Gamage, and a silent auction of wonderful items will also take place.

Rockport's old elementary school, located on the corner of Rts 1 and 90, will be the site of this fun fundraiser. You won't want to miss the chance to have a good time and help Midcoast Habitat at the same time, so please plan to attend.

Just what are these terrific playhouses and how can you view them ahead of time? They've been constructed and donated by a whole host of community members, organizations, and businesses, and they'll be displayed around Knox County during the month of May. On page two you'll find a complete list of participants, as well as where the playhouses will be displayed.

Philanthropist Doris Buffet of the Sunshine Lady Foundation will be on hand to wrap up a successful month-long WomenBuild event, along with our newest partner families.

Many thanks to our event sponsors, Camden National Bank and Camden Real Estate Company, and our Media Sponsor, VillageSoup. We appreciate the support of all of our builders and donors!

Please join us on May 28th, when you can enjoy the company of friends and fellow Habitat supporters, have a wonderful time and help Midcoast Habitat at the same time!

We'll see you on SATURDAY, MAY 28, 4 pm to 7 pm, in Rockport!

Twelve fabulous playhouses will be auctioned off at the event. You can view all the playhouses ahead of time and bid by phone if you cannot attend.

See inside for even more playhouse details!

Playhouses — Not Just For Kids!

Some of the playhouses that will be auctioned on May 28 would make wonderful garden sheds and tool sheds. Please support MHFH and join us for the fun!

Come buy a fabulous playhouse!

Here are the twelve playhouses, along with where they will be displayed, as well as who built them, sponsored them, and donated designs and materials.

Make our event a success by bringing friends and family to the Backyard BBQ on Saturday, May 28th!

Thank you to Cedarworks for their donation of this fun playhouse! It will be auctioned off at the Backyard BBQ and Auction on May 28th along with eleven other great structures – some for kids, some for grown-ups!

Hammond Lumber sponsored this playhouse. It was built by the Midcoast Builders Alliance from plans donated by Breakwater Design. This handsome building would make a great garden shed, too!

Dedication of House #22 in July

On Sunday, July 10, at 3:30, we will have a special ceremony to dedicate the home of the Shay family at 12 Deer Run Road in Thomaston. All are welcome to join MHFH and our partner family, Dan and Amanda Shay, for this wonderful occasion as we celebrate this new energy efficient and green home. Tour the property, see our new design, and meet the many volunteers who made this project possible.

If you are interested in Midcoast Habitat's mission, or just curious about the new homes we are building, please plan to attend. Refreshments will be served.

For more information, call 594-1859 or see our website, www.midcoasthabitat.org.

ReStore Coming Soon

Our annual yard sale on June 11th & 12th at Knowlton Moving and Storage, Rte 90 in Warren, will be the prelude to the Midcoast Area's new Habitat ReStore, located at 799 West Street in Rockport!

What is a ReStore? It's a retail store featuring donated new and gently used appliances, furniture, and building materials, sold to the public with the proceeds going into more Habitat homes for hardworking families. We're planning to open in mid-August and are looking for volunteers to work in the store.

DONATIONS of items are always welcome. Check our website for a list of what we can accept, and contact us to arrange a pick-up or drop off. Your donation can help a needy family purchase a home in Knox County!

Women Build a Big Success

Our first ever Women Build, held during the month of May, has brought more than 160 new volunteers to our ranks and made an excellent start on our 23rd home. Crews built throughout the month at our job site at Lupine Terrace, in Camden, alongside our partner family and under the direction of Construction Supervisor Meredith Currier. Lots of laughter, combined with hard work, were in great abundance.

We are thankful to the fabulous Women Build Committee, headed by Carmen Cherry, and all of our event sponsors for National Women Build Week, including Lowe's and the Sunshine Foundation, for a fabulous, first-ever women build!
